Web Development Experience & Projects

Web Development Immersive
General Assembly   May 2018 - Aug. 2018

Full-stack, 13-week, 500+ hour, full-time, web development immersive program, intensive training in a variety of modern programming languages and technologies

Languages & Skills

JavaScript	React	jQuery
HTML/CSS	SASS	Bootstrap
Handlebars	Agile	PostgreSQL
Ruby	Rails	Node
Mongodb	Express	Mongoose
Gihtub	Heroku	Git
GIS	GPR	Lidar
Access	Excel	R

Note It
Used React to create an app that allows someone to create sticky notes for ideas, inspiration, or whatever they choose. Users can move the notes around the board and edit the contents. The inspiration for this project was to create a way to keep track of future project ideas that I have.
React, Axios, Ruby, Rails, PostgreSQL

Nozama (Group Project)
Worked with three other people to create an e-commerce site selling collectable lego figurines. Our group worked seamlessly together and highlighted the importance of teamwork and communication. My role on the team was as Back End Lead.
Express, MongoDB, Mongoose, JavaScript, Handlebars, jQuery, AJAX, CSS, HTML

Bucket List
Independent full-stack project, using Ruby on Rails for the API, created back end to allow users to sign up and store bucket lists. Users can complete all CRUD actions. Added styling to front end to make site more visually appealing.
Ruby, Rails, PostgreSQL, JavaScript, jQuery, AJAX, CSS, HTML, Bootstrap

Random Place Generator
Additional full-stack project to compliment Bucket List project. Users have the option of generating a random city on Earth or a planet from the Star Wars Universe. Used CSV data from Simple Maps' World Cities Database to create table of cities. Connected to SWAPI to get the planet's data.
Ruby, Rails, PostgreSQL, JavaScript, jQuery, AJAX, CSS, HTML, Bootstrap

Tic Tac Toe
Created classic Tic Tac Toe game as a single-page application with alternative choices to X and O and fun winning background displays
JavaScript, jQuery, AJAX, CSS, HTML

Education

MA in Heritage Management
2016 – 2018
University of Kent – Athens, Greece

BA with Double Major in Archaeology & Geology
2012 - 2016
Oberlin College - Oberlin, OH

Semester Abroad
Spring 2015
University of Canterbury
Christchurch, New Zealand

Additional Experience

Administrative Assistant
January 2018 - Present
Touro Synagogue Foundation
Newport, RI
Along with typical duties helped with fundraising, and organization of office

Paleontology Intern
Summer 2016
American Museum of Natural History
New York, NY
Cataloged, photographed, and databased recently acquired paleontology collection

Zip-line Tour Guide
September 2015 - May 2016
Common Ground
Oberlin, OH
Led group tours through forest canopy up to 80ft off the ground

Geology Field Researcher
Summer 2015
Keck Geology Consortium
North Slope, Alaska
Spent 4 weeks in remote Alaskan wilderness conducting research, which culminated in Honors Thesis

Activities & Awards

Sigma Xi Research Society,   Honors in Geology,   John F. Oberlin Merit Scholarship,   Girl Scout Gold Award
Oberlin College Club Rugby, Oberlin Student Cooperative Association, Rock Climbing
